

FFA Alumni Report for 2005-2006

By: Thomas Dobbins

This has been a very productive and busy year for the FFA Alumni and FFA Alumni Board. My year started at the State Leadership Conference in Ohio, the board met for two days prior to the conference. We had five major highlights this year:

- \$100,000 – Pledged to Ag Ed Opportunity Fund

\$10,000 - Seeds of Hope Campaign

\$6,000 – NAAE Legislative Action Center

\$5,000 – National Council for Agricultural Education

\$7,500 – Collegiate Scholarships & National Postsecondary Agricultural Student Association

The board voted to contribute to the Ag Ed Opportunity Fund over the next 5 years. Because of sound financial management, the FFA Alumni has pledge \$100,000 second largest pledge. The FFA Alumni Board and it members donated \$10000.00 to the Seeds of Hope Fund at the FFA National Convention. The board is looking forward to this year's SLC to be held in Nashville, Tenn. TSC will be a major sponsor of this year's event and is one of our largest sponsors.

State to State Mentor Program

We are presently working with two State to State Mentor Programs which include the following states:

Mississippi & Louisiana
Oregon & Washington

Financial:

Financial Summary

Jan 2006

	Actual YTD	Budget YTD	Budget Variance	Last Yr YTD	Annual Budget
60901 Alumni - General	116	(32)	148	(1)	23

2006 State Leaders Conference

“Power of Partnership” Dream Big....We’ll help you get there!

The 2006 SLC will be hosted by the TN FFA Alumni Association and will be held in Nashville, TN on July 11-15, 2006.

Council Up-Dates

Ronnie Ansley - Southern Region Representative

As spring and summer approach, I am in the process of setting speaking engagements to various groups in the Southern Region about the FFA Alumni and volunteerism. We are also working with States both in and outside of the Southern Region on idea exchanges on several topics ranging from FFA Camp Programs to information delivery systems to local and State members.

I am open to ideas on how to better serve the organization and am available to speak, attend, and/or present at workshops. Please feel free to contact me if I can help in any area or State.

Amanda Cloud – National FFA Representative

All is well here in MT, just keeping busy, mainly with school, not that state convention has concluded. I am helping with the new state officer initial training here in a few weeks, so that should be a good time, but now on to the things you really want to know about. I just recently went to a local chapter's annual Alumni dinner, auction and dance, and they raised about \$5,000 after costs, so that is a huge plus, they made about \$2,000 more than last year, so they must be doing something right. I spoke at the MT state Alumni meeting that were held in conjunction to the state convention, I also was able to address the whole audience on Friday night, and then a few more at a delegate session, so I suppose we will see if I made any impact. Let's see what else, I have been in contact with Les Purcella and Kim Obyrne from New Mexico and Miles Williams from Maine, and we are working on a plan for me to come out to both state conventions and hopefully start an Alumni in Maine, since they only have a Foundation, and then Kim from New Mexico has asked me to help them with the Mentor program and do some workshops while I am down there as well. So, there is my quick update, just a few things. I hope all is well with you and all of the other Alumni members.

Norman Gay – President

At the end of January Sonny, Monty, and I attended the FFA Board meeting followed by In Service in Indianapolis. In February you, Ronnie and I attended the Wisconsin State Convention. In March I attended the National Council of Agriculture Education in D C where you and Kristina joined me for the latter part of this meeting. I have had a number of conference calls as a member of the executive committee of the National Council of Agriculture Education.

New Awards for State FFA and FFA Alumni Basket Contest!

The Georgia FFA Alumni Association has recently approved new awards for the State Basket contest at the State Convention.

First place FFA Chapter Basket will receive a \$550 Washington Leaders Conference Scholarship to be used by one of your FFA Chapter members this summer. This would be a great way to send an additional member or to send a member who did not win one of the WLC scholarships.

First place FFA Alumni Basket will receive a \$400 scholarship for one of your Alumni members to attend the National FFA Alumni State Leaders Conference July 11- July 16 at Nashville, TN or a \$550 Washington Leaders Conference Scholarship to be used by one of your FFA Chapter members this summer.

Georgia FFA Alumni Council recommends changes to bylaws

The National FFA Alumni Association recently made changes to the National FFA Alumni constitution and bylaws. In an effort to stay in line with the National FFA Alumni Association, the Georgia FFA Alumni Association Council recently approved recommended changes to the bylaws submitted by the Bylaws Committee. The revised bylaws will be voted upon by members at the State FFA Alumni Convention in Macon, April 29. Click [here](#) to view the recommended bylaws or visit the Georgia FFA Alumni website at <http://www.ffaalumni.org/>.

Georgia FFA Alumni Council approves monetary assistance for National State Leaders Conference

The Georgia FFA Alumni Association Council recently approved \$1,000 towards monetary assistance for Georgia FFA Alumni members interested in attending the National FFA Alumni State Leaders Conference, July 11-16, 2006 in Nashville, Tenn. More information on the conference is available by downloading the [Invitation](#) and [Registration Form](#). Download the [application for assistance](#). Applications are due to the Blane Marable by Friday, April 21. The application n can also be found on the Georgia FFA Alumni website at <http://www.ffaalumni.org> .

Please let me know if you have questions on any of these two areas.

Kim Miller - National FFA Representative

Here in Wisconsin, we are trying to really work on certain areas of the state that seem to need a little "boost" compared to other, more active portions of the state.

While at Indianapolis, we were approached by both ND and SD about pursuing the mentoring program. We are working diligently with Gretchen Sharp in South Dakota to try and get things rolling and haven't heard any word from ND.

Sam Atherton – Central Region Rep.

Hi Frank: In January I went to Neb. State Alumni Convention and spoke and put on a workshop. I also Attended Kansas FFA Alumni Convention in Garden City. I attended Team Ag ED Syp. In your Town & the National FFA Alumni Council meeting. Attended Blast off in Junction City Ks and helped judge Kansas proficiency awards in March. Went to Erie Ks and talked to FFA supporters about restarting alumni. They are going to a two teacher department. Held our 15 annual Cherryvale FFA Alumni Consignment auction April 8, turned out real good with over 100 bidders signing in.

Monte Ladner – President Elect

We will have a MS FFA alumni Council meeting here in Carthage, MS on April 22, 2006. We have invited representatives from LA to join us as part of the Alumni State to State Mentor Program. They are planning to send 3 to 4 people to attend our meeting. We look forward to them joining us.

National FFA Alumni Staff Up-Dates

Betsy – National FFA Alumni Staff

1) The Excel membership system is being tested. Blane Marable of Georgia, Lexie Poulson of Ohio, and Jayme Buttke of Wisconsin agreed to participate in the pilot. They are currently working with the Excel rosters and should be returning them to National by April 28. We will be running these rosters in a test area as a parallel study. The pilot states must submit the identical rosters in both paper format and excel format. The paper

rosters will be entered the usual way into our membership system and the excel rosters will be entered in the test area using the new program. Once entered in both systems, the results will be compared. If all works as planned – the results should be identical.

2) SLC registration has begun and we already have several returns. Council members were sent the registration form in March. Please remember – council members planning on attending should submit their registration form and the \$150.00 registration fee by June 1. Alumni will cover the balance of the conference fee. The registration fee is waived for our FFA Representatives and Past National Officers. Please take a few minutes to fill out the brief bio for our “Who’s Who” booklet. I will be happy to resend the registration form if you need it.

3) WLC Alumni scholarships were mailed to state representatives in February. If anyone has any questions regarding the number of scholarships awarded to their state and who received the information within their state, the listing is posted on our website. All documentation for the scholarship must accompany the student’s registration form. No refunds will be issued for documentation received once a registration has been processed.

4) Membership rosters are arriving daily -- within the last two weeks we have received over \$60,000 worth of membership!

Amber – National FFA Alumni Staff

2006 FFA Alumni Benefit Auctions: Come join us - we don't want to hog all the fun!

The 2006 auction mascot will be a pig so be on the lookout for items to solicit for the auction! Be sure to start promoting the auction and state basket contest to the Alumni you come in contact with, the donation form is available on the web at http://www.ffa.org/alumni/html/alumni_auction.html.
